

SimplyCircle

Join our girl scout circle on SimplyCircle!

This year, we are using a service called SimplyCircle to communicate with parents in our girl scout group. We will be posting updates and photos, organizing events, and asking for volunteers. It is important that you join our circle, so that you don't miss any important information!

You can access SimplyCircle from a computer, tablet, or mobile phone. You can also download a free mobile app from the App Store or Google Play. Once you sign up and join our circle, you will start receiving our communications and automated reminders via email. It's free, private and secure, and all the information stays in our circle.

Please take a minute to join our circle:

1. Go to **SimplyCircle.com** on computer, tablet or phone and click on "Sign Up", then select "I want to join a circle".

2. Enter the **invite code**:
